RIP VAN WINKLE. BY WASHINGTON IRVING: ILLUSTRATED IN COLOUR BY ARTHUR RACKHAM, A.R.W.S.

Price 15s. net.

Times.—"His inexhaustible fancy has produced out of the little tale some fifty drawings . . . . each of them a marvel of his Dureresque detail, his grotesque elaborateness and of the strange bizarre life which beats on every inch of his paper. The winning and tender beauty of his women and children would alone make this book an artistic treasure. . . . Among the Christmas books . . . . it will be hard to rival this delightful volume."
